est mineral counties in Kentucky, must needs have one of the best papers in the state, consequently we are before you and to stay.

The Editorial columns of the Record-Press will be used in the best interest of people of Marion, and the neighboring towns and counties. We are against the saloon evil and do the very best to help banish it from the state. If we are forced give the evil doer -ll, we shall do so in a gentlemanly way. Nothing will even be said with the intention of wounding the feelings of any one, but mind you, the law-breaker, cir cumvented by the influence of the rich, who does what he does with the knowledge and belief that his position in life will save him, will not look one whit different to us than the man of low estate. But we want clean interesting news and will, God store. helping us, fill every available space with such.

Now since we go to the trouble and expense to give to you a live, twice-a-week, come to our aid with it do so at once, and induce your neighbor to follow your example and you will be a prominent factor in

making the paper second to none. One dollar to all and in 'advance, Ensered as second-class matter February ath. It free by making the fact known to thus far you need His Day for rest, the editor, which request will be
